- High Rate Discharge Applications Limited Warranty -

All pbq batteries are warranted to be free from defects in material and workmanship. Should a claim arise, the following limited warranty policy applies.

CONDITIONS:

1. A battery will not be considered defective unless it fails to deliver 60% or less of its rated capacity during the warranty period per EN60896-21/22.
2. Each battery must be the proper size, design, and capacity for its intended application at 25 degrees Centigrade.
3. Each battery must be charged, discharged, stored and serviced in accordance with the manufacturer's instructions. The limited warranty is invalid if the battery is subject to misuse, abuse or physical damage.
4. User agrees that the manufacturer's representative shall be granted inspection access with reasonable notice.
5. The Warranty Period will be reduced 50% for every 8 degrees Centigrade increase in operating temperature above 25°C (base temperature). Warranty is void if temperature exceeds 50 degrees Centigrade.
6. The limited warranty is rendered void if the battery becomes unserviceable due to fire, wreckage, freezing, neglect, abuse, or any act of God, the use of battery additions, or the battery is serviced by persons not authorized by pbq.

CLAIMS:

1. Contact original point of purchase for instructions on applicable warranty claim procedures immediately after notice.
2. Upon satisfactory proof of claim as determined by pbq, we shall repair or replace, at our option, any defective battery based upon the purchase price exclusive of labour cost.
3. pbq does not accept any product for return, credit or exchange unless expressly authorized by pbq in writing and returned prepaid to our warehouse.
4. All defective and replaced batteries, if returned, become property of pbq.
